Dear Parent/Guardian,

This year, we have several neat changes in the way our school operates to help keep your child safe and healthy. One of those changes is a touchless dismissal system, Pikmykid.

**You will use Pikmykid in a number of exciting ways this year:**

- To fill out a daily, digital health screening before your child comes into the building
- To schedule and change how you want your child to be dismissed (Bus, Parent Pick Up, Walker, etc)
- To delegate a friend or family member as an approved person to pick up your child
- To receive notifications on your personal cell phone about your child (when he/she boards the bus, gets picked up by a family member, joins an afterschool program, etc)

**You will be receiving a copy of this letter in the mail. Here's how you can get started:**

- Read [this flyer](#) to learn more about the program
- Watch [this video](#) to guide you through the setup process
- **SAVE THE ENCLOSED CAR TAG.** These will be used for dismissal when you do not have a cell phone on you.
- Download the Pikmykid app or go to [www.pikmykid.com/parent-registration/](http://www.pikmykid.com/parent-registration/) to register.

**Email [Support@Pikmykid.com](mailto:Support@Pikmykid.com) or call 813-649-8028 if you have any questions or issues.**

Thank you for continued efforts in the education of your child! Gators have grit!

Educationally yours,

Jack Turner, K-8 Principal
